Fabiano Pressure Cooker is brought to you by Fabiano Home Appliances an extremely advanced, useful and reliable household product. It is miles ahead of its competitors in the market today, and promises un-paralled safety, convenience, and trouble free performance. (i.e. to mention the cardinal importance it attaches to hygiene while cooking food). Suraksaha pressure cookers are specially designed to give vent to your culinary talents. The history cart of cooking is sustained by Fabiano Home Appliances disowned have to compromise on taste for sake of convenience. Fabiano Home Appliances cooker is amazingly quick also. In fact it cooks two time faster than the conventional cooking and about 53% faster than a microwave oven. So in the long run, it proves to be extremely economical, as you add up saving on a great amount of fuel. In terms of durability Suraksaha pressure cooker has no match. It is built to withstand hydrostatic pressure that is 6 times more than normal cooking pressure (i.e. 1kg/cm.)
